WELCOME TO

GLOBAL LIFELINES CLEANING SERVICES

Our Story Transforming Spaces to Sparkling Oasis

It all started with a simple vision to transform chaotic spaces into havens of serenity. Armed with a passion for order and a toolbox full of eco-friendly magic, we founded Global Lifelines Cleaning Services.

Manchester's bustling streets were our training ground, Liverpool's vibrant energy fuelled our ambition, and Coventry's historic charm inspired our meticulous attention to detail. Birmingham's diverse households taught us the value of customization, leading us to craft cleaning plans as unique as your fingerprints.

Our mission extends beyond sparkling floors and gleaming surfaces, We believe in the transformative power of a clean haven.

Our Service comes with a Sparkle: From the friendly booking call to the meticulous clean, we treat your home or workspaces with the respect it deserves. Our team of professionals are reliable, and always a smile away. We don't just clean, we transform spaces into sanctuaries of cleanliness.

Across Manchester, Liverpool, Coventry, or Birmingham We're just a call away, ready to make your home or office sparkle from the inside out!

Client's Reviews

Cathy D

"They did an incredible job cleaning my mother-in-law's home. We booked a deep clean and the two ladies worked hard for hours to get it sparkling and smelling amazing - just the pick-me-up she needed after being in hospital. We've now booked fortnightly cleans for her and she's looking forward to them. Thank you!"

Peace of Mind Guarantee: As trustworthy, and insured cleaners, we consistently deliver high-quality results. We communicate openly, so you are always informed and in control.

Astley View Care Home in Chorley: STUBBS Construction Limited

Astley View Care Home, a brand new 90-bed facility, entrusted us with their crucial after-build clean. Responding promptly, we conducted a thorough risk assessment and swiftly mobilized our team and materials to the site. Within just two weeks, we delivered a spotless finish, ensuring a pristine and hygienic environment for residents and staff alike.

Client Review

Design Manager, STUBBS Construction

We recently hired Global Lifelines Cleaning Services to clean up a care home at Strawberry Fields. They were extremely professional and attentive, arriving with smiles on their faces every day. We were thoroughly impressed with their service and would highly recommend them.
